## Overview

Walsh Ranch at its finest! A MOTIVATED SELLER has priced to sell fast. Highland Home built, this modern townhome is ready for a new owner. There is so much versatility in this home with two living areas, 3 bedrooms all on the second floor, lots of storage with great closets in each bedroom, a large separate storage room on the second floor and a nice storage area under the stairs. The open floor plan of the first floor also has a two story vaulted brick fireplace that rises all the way to the 2nd floor ceiling and a very cool modern fan. The first floor has tile flooring with the look of wood, a gourmet kitchen with a gas stove top, double ovens and separate microwave. No stress living!! The HOA takes care of yard maintenance, maintenance of the entire exterior and a brand new roof was just installed in 2024. HOA also handles all the insurance on the building plus you receive all the experiences provided by the Walsh Ranch amenities!! Location is quiet and private. Better than new!
