Overview

This stunning, fully renovated home in Princeton, MA, seamlessly blends modern luxury with thoughtful design. Spanning 3 bedrooms and 2.5 baths, the property has been meticulously updated to cater to today's discerning homeowner. The heart of the home is a brand-new kitchen that dazzles with stainless steel appliances, elegant quartz countertops, and crisp white shaker cabinets, providing both beauty and functionality. The spacious master suite offers a serene escape, complete with a brand-new bathroom featuring high-end fixtures and finishes. Upgraded windows in the house allows natural light to flow freely and highlight the refined craftsmanship throughout. The exterior is equally impressive, with all-new roof and landscaping that enhances the property's curb appeal, and a newly constructed entrance that provides a warm and stylish welcome. From its sleek design to its practical upgrades, this home is a true masterpiece ready for its next owner.
