Overview

Timeless elegance offered in this colonial in Huckleberry. The main features a study, living and dining room open concept with cherry floors. At the heart of the home is a large gourmet kitchen featuring island, custom cabinets, granite counters and upgraded appliances. The adjacent family room offers a cozy gas fireplace. Upstairs you will find a primary bedroom w/bath and five additional bedrooms and bonus room with access from a 2nd staircase. This property separates itself with the large, private fenced backyard offering wonderful indoor/outdoor flow. It features a large partially covered deck plumbed for a gas barbeque, sport court, shed/studio all backing to a nature preserve. Fresh paint, roof (2024) and newer vinyl windows.
