Overview

Welcome to this nearly-new, energy-efficient 3-bedroom, 2.5-bath home! The sellers have only lived here for a little over a year, so it's in excellent condition and ready for its next owners, without having to wait to build. As you step inside, you'll love the modern touches, including grey-tone EVP flooring throughout the main level. The kitchen boasts beautiful granite countertops, perfect for cooking and entertaining. You'll find cozy carpet up the stairs and in the loft and bedroom areas. Second floor also features a laundry room and linen closet. The home's energy efficiency offers long-term savings on utilities. Don't miss this chance to own a move-in-ready gem!
