Overview

WOODS, CREEK, STOCKED POND, 6 1/2 ACRES of quiet, all located in one of the most sought-after areas around!! Built by a popular, now retired local builder in 2000. Brick front and sides with 2000 square feet on main level, as well as a poured, mostly finished basement that's high and dry! Master bedroom has a private bath with jetted tub as well as a shower. Kitchen has loads of cabinet space and a huge pantry. A breakfast nook overlooks the 36' deck, which overlooks the pond, which is loaded with fish for those fish fries!! Laundry room is 18' x 10' conveniently located off the kitchen. The finished basement includes an exercise room (or whatever you wish to use it for) an enormous open area for a game room or family get-togethers, cedar lined closets.
