Overview

Nestled on 1.65 acres, this lovely property is ideal for a growing family. Featuring five bedrooms and three bathrooms, it offers ample room for comfort and convenience. An attached garage ensures easy access, while the large pole barn with oversized garage doors (both ends) provides additional storage and workspace. Enjoy serene outdoor living on the large covered back deck, overlooking a beautiful, natural backyard. Located just a few miles out of town, on a well-maintained blacktop road, this home combines practical features with ultimate comfort.
