## Overview

Charming 3-4 bedroom, 2-bath Antique Colonial blends historic charm with modern updates. The kitchen, renovated in 2009, features granite countertops, mahogany wood flooring, an Aga Range, a center island, a subway tile backsplash, and stainless steel appliances. The first floor showcases maple flooring, a dining room with a coffered ceiling and built-in china cabinet, and a bright 4 season room with wainscoting. A versatile office/bedroom with a closet and a living room featuring a gas stove and recessed lighting are also on this level, along with a full bath with a tiled shower. A separate staircase leads to the primary bedroom, complete with an en-suite bathroom featuring a jetted tub and a connecting room perfect for a nursery or sitting area. Two additional bedrooms complete the second floor. Outside, enjoy a large deck, landscaped grounds, a bluestone patio with a firepit, and a fenced yard. Located just 1/2 mile from Saxonville Beach and close to major routes and shopping.
