Overview

This stunning end-unit townhouse condo, built in 2020, offers modern living at its finest!! Spanning 2 Liv Lvs, the home features 3 bedrooms and 3 full baths providing plenty of space for relaxation and privacy! Located in a convenient Uxbridge location on a cul-de-sac surrounded by nature, giving a comforting sense of privacy and serenity! The open-concept main floor has beautiful HWF, crown molding, recessed lighting, a full bath, garage access, a cozy gas FP and plenty of windows (and slider) that fill the space with natural light! The kitchen is a homeowners dream, equipped with sleek granite CT, all SS appliances, marble backsplash and lots of storage! Upstairs also has all HWF and is highlighted by the the double door primary BR with WIC and gorgeous full bath! The 2nd floor has 2 more good sized beds, another full bath, laundry room and linen closet! This home is AMAZING and will not last, so move quickly on this one!! Sellers will entertain offers with Buyer concessions.
