Overview

Luxurious 5, 200 square foot home with smart house technology throughout! The main living areas sport gleaming hardwood floors, detailed moldings, an open floor plan with split bedroom design, and a see through fireplace makes the interior courtyard with pergola part of the living space of this gracious brick ranch with full basement including a deluxe sports center and bar area. The house includes an Ubiquiti WIFI commercial grade AP's and firewall, programable thermostats, automatic LED lighting, solar panel blinds, electronics game room, Attic wired fan with automated thermal controls, and Vivint alarm system with security cameras inside/outside, alarm contacts on all windows and doors, glass breaks, motion sensors, heat, fire, and carbon monoxide detectors for all rooms.
