## Overview

Recently remodeled first floor gem in the desirable Renaissance Condominium community! Don't miss this beautifully redone condo complete with luxury plank vinyl flooring everywhere except the bedrooms, which boast new carpet! Quartz countertops in the kitchen really complement the new stainless steel appliances and custom cabinetry (complete with pull outs!). The living room boasts a gas fireplace and tall ceilings to make sure you never feel like your space is too small. Primary suite offers a walk-in closet, private bathroom and access to the back deck via a sliding glass door. Perfect for sitting and taking in the park-like interior of the grounds! Laundry is in its own dedicated closet off the main hallway.. Also, the board just approved a project for roof replacement, gutters, downspouts, skylights and more! Seller will pay assessment balance at closing so you don't have to! This one is a must see!
