## Overview

Welcome home to this Executive Ranch located in the most desirable Seekonk neighborhood. The Gourmet kitchen has stainless steel appliances, Cherry wood soft close cabinetry, a large center island, and a gorgeous backsplash. The center of the home is perfect for entertaining; boasting an open concept from living room, kitchen, and dining room all with 10ft. ceilings and expansive windows that allows natural light to pour in. A spectacular 3 season porch is located off the kitchen and leads you to the large deck which includes a heated Swim Spa and Hot Tub. The Primary Suite is set privately on one side of the home and includes a luxurious bathroom with a large soaking tub, tile shower with glass enclosure and a double vanity. On the opposite side of the home you will find three additional ample size bedrooms and a large bathroom. Want more? The basement is fully finished with an additional 1948 sq. ft. including a game room, wet bar, office, and full bath. Don't miss this one!
