Overview

Step into this amazing two-story home nestled in the beloved Saint Charles neighborhood, just a stone's throw away from the Hot Springs Golf and Country Club. This dreamy home sits atop a beautifully landscaped lot and offers a truly impressive floor plan. As you walk in, you'll be greeted by a foyer that opens up to a spacious great room, kitchen, and breakfast area. The cozy great room with a fireplace, gorgeous hardwood floors, and a bright, sunny kitchen make it the perfect spot for family gatherings. You'll love the built-in cabinetry, desk, and the huge center island with a breakfast bar. Upstairs, the 3 bedrooms. French doors from the primary bedroom open up to a huge deck. The lower level offers a fantastic family room or second living quarters with private full bath.
