Overview

Make this your perfect starter home or the forever home you've been searching for. This two-bedroom, one bath home sits in a great subdivision in the Clio school district just minutes away from everything Clio has to offer. New roof over the home portion of the house, newer furnace, nice sized back yard and an awesome two and a half car garage. It also has new flooring in the kitchen and laundry room. All the appliances are included, and it is priced to sell. Make your viewing appointment today!
