## Overview

Perfect condo alternative. This charming home boasts hardwood floors, built-ins, an eat-in kitchen, and a walk-in closet. The potential is there for 2 bedrooms, although currently used as 1. Enjoy relaxing on the front porch, which features original cleats and brass railings, or take a short stroll to Bay Pointe Marina or Mound Beach. With ample off-street parking and proximity to shops, restaurants, beaches, public transit, and major highways, convenience is at your doorstep. Ideal for downsizers or first-time buyers. Additionally, the full unfinished attic offers potential for future expansion. The seller has never had any issue with flooding in the basement, indicating a solid foundation.
