## Overview

Discover your private sanctuary with this stunning custom ranch home, offering unparalleled seclusion and breathtaking views of the Sierra Ranchos valley and surrounding hills. The master suite is a luxurious retreat featuring a spacious layout, a large 2-person shower, a beehive design fireplace, a walk-in closet, and an inviting outdoor sitting area. The guest suite located on the lower level includes it's own entrance, comfortable sitting room, full bathroom and kitchenette. Perfect for multi-gen living or visitors. The upper living areas include a sun room with a private deck, spacious living room with a beehive design fireplace, vaulted ceilings, full bathroom and private office. The kitchen is the heart of the home. Natural light fills this space and there is a intimate patio for enjoying your morning coffee. Enjoy the amazing views of the surrounding hills and valley below from the large deck off of the the living room. There is a built in oven for cooking and plenty of space for entertaining all of your friends and family. This exceptional home combines comfort, privacy, and elegant design with spectacular natural surroundings, making it a rare find in the Rancho Haven area. Dont miss this opportunity to own a truly unique property!
