Overview

Welcome to this charming 3-bedroom, 2-bath home complete with original hardwood floors that enhance the warm, inviting atmosphere. The living area is bathed in natural light, creating a bright and airy feel throughout. The kitchen offers plenty of room for cooking and entertaining and you'll love the built in coffee nook! Step outside to your fully privacy fenced backyard with mature trees, providing a peaceful retreat for outdoor relaxation or gatherings. The garage adds convenience for your vehicle or storage needs. Don't miss out on this great opportunity!
