Overview

Hey Denville Buyers, What a transformation! We've got some fantastic updates, and we can't wait to share them with you. New paint where needed provides a fresh and vibrant look to the home. The windows are now allowing natural light to flood in as the landscaping bushes were trimmed back. Seal coating the driveway added that final touch of perfection. This elegant home offers refined living across its expansive layout, boasting 6/7 bedrooms and 4 full bathrooms. Upon entering, you are greeted by a grand foyer that leads to the well-appointed living spaces, featuring a stately formal dining room and a gracious living room. Up the staircase leads to a balcony overlooking the family room. The kitchen has ample space for culinary pursuits. Step outside to discover a private oasis, complete with an inviting in-ground pool, perfect for entertaining or unwinding. Nestled on a well-maintained lot at the end of a cul-de-sac, this residence offers timeless appeal and the potential for customization. The unfinished basement presents an opportunity for expansion or storage, catering to the needs of the discerning homeowner. Built in 1994, this home has been meticulously maintained, preserving its original charm while offering the opportunity to infuse personal touches. Don't miss the chance to experience the allure of 18 Rosewood Lane, a sanctuary of sophistication

and comfort.
