Overview

Welcome to your beautifully updated 3-Bedroom, 2.5 Bath home adorned with 12-foot ceilings. As you enter, picture yourself working from home in the designated office, entertaining from the dry bar or kitchen with an oversized island, and cozying up by the custom fireplace-mantle. The modern kitchen is enhanced with flawless countertops and refinished cabinets and backsplash. Take note of the primary bathroom's custom design that features a walk-in shower and free standing soaking tub. A striking board and batten wall enhances the second bedroom. Enjoy new windows - May '23 and a newly stained fence - Mar '24. The smart garage door and sprinkler system add modern convenience. You will love the amenities in Chaucer Estates! Enjoy the basketball, tennis, and pickleball, then cool off in the neighborhood pool. Proximity to the Shops at Highland Village, plus many other shopping and dining opportunities give this home the perfect location. Email the agent for this property's personal website.
