Overview

Looking for Privacy? THIS IS IT! Discover your own secluded retreat with this inviting 4-bedroom, 2-bath home set on a picturesque 10-acre country lot. This property offers a spacious floor plan ready for your personal touch. The huge living room provides a welcoming atmosphere and stunning views as it overlooks a covered porch, perfect for relaxing and taking in the serene surroundings. The family room is a cozy haven, featuring a beautiful stone gas fireplace that adds warmth and charm. The formal dining room, with its French door leading to a 22x14 deck, offers a delightful space to entertain while enjoying the outdoors. Wildlife abounds in this tranquil setting and each window frames a beautiful view of the natural landscape. The property also includes a versatile 24x40 pole barn/horse barn with 2 horse stalls, a tack room, water pump and electricity, and a dedicated workshop in the back. Open land for future pasture. Additional features include a 10x40 lean-to, 14x10 shed and 24x24 attached garage, providing ample storage and utility options. Recent updates include newer furnace and H2O. Whether you're an equestrian enthusiast or simply seeking a tranquil retreat, this property has it all. Don't miss your chance to own this private oasis with endless possibilities! Natural gas, approx. 1/2 mile to paved Hadley Rd and Downtown Hadley and just minutes to Metamora- Hadley Recreation Area for the outdoor enthusiasts. Please DO NOT drive up the

driveway without an appointment.
