Overview

Built By Taylor Morrison, January Completion! This charming single-level home features a modern kitchen that flows seamlessly into the dining area and Great Room, creating the perfect space for hosting friends and family. The kitchen is a chefs delight, complete with stainless steel appliances, a central island, and a walk-in pantry. The owners suite, tucked away at the back of the home for added privacy, boasts a spacious walk-in closet, dual vanities, and dedicated linen storage in the bathroom. Two secondary bedrooms are thoughtfully positioned with a full bath between them. A large laundry room and a convenient coat closet are perfectly placed near the entrance from the two-car garage. Structural options include: pre-plumb for water softener and 2 whole house white blinds.
