Overview

Nested in one of the quietest streets in Los Altos, this charming townhome offers 2 levels of comfortable living through its functional floor-plan. Recently remodeled with elegant finishes, hardwood floors, freshly painted with warm colors and more! Loads of natural light throughout the home. Open Living and Dining Room concept with access to the enclosed private backyard, perfect for evening gatherings, birthday parties and more! Newly built front yard fence with well maintained gardening. Upgraded Kitchen with white quartz counters, white cabinets, backsplash and stainless steel appliances. Full bathroom and laundry area on the first floor. Both bedrooms are located upstairs, with ample closet space. Low HOA fee. Conveniently located within walking distance to downtown Los Altos, Hillview Community Center, Los Altos Library and more. A short walk / bike ride from the award-winning Los Altos Schools. Easy access to major freeways and close proximity to Stanford, Google, Apple and many more tech companies. Take advantage of the endless dining options in Downtown Los Altos and enjoy the frequent Wine and Art Festivals! Don't miss out!
