Overview

This five bedroom brick home has undergone a top-to-bottom, thoughtful remodel completed with beautiful, high-end finishes. The stunning white custom kitchen exudes elegance with significant marble topped island, high-end Electrolux appliances, and sunny breakfast area. Extensive custom woodwork has been added to the home including wainscoting, deep crown moldings, and trimwork. This home enjoys Marvin windows, a 2013 roof, and updated and upgraded electrical, furnaces, and air conditioners. Both the living and family rooms enjoy gas fireplaces. The primary suite enjoys a walk-in closet with custom shelving and a spacious, spa-like bath with walk-in shower, basketweave marble mosaic tile, elegant double vanity, soaking tub and Perrin and Rowe faucetry. The four additional family bedrooms all enjoy wood floors and ample closets. The large, hall bath enjoys a double vanity, separate shower, and deep soaking tub. The full, finished basement in a fabulous additional space with with rec room, craft room, kitchenette, office, huge exercise room, plus storage. The professionally landscaped yard features a bluestone patio with gas grill. Additional features include main level office and main level laundry. The list of updates is comprehensive as every surface has been touched and improved. The home has 3, 348 square feet of living space above grade

plus an additional 1, 798 square feet in the finished basement. This home is set on a quiet street in a neighborhood close to restaurants, grocery, and commuter train.
