Overview

If you're looking for low maintenance living, in an excellent location, with excellent amenities and the best floorplan in the neighborhood, then this Hunter's Ridge townhome is for you! The layout is flexible, and offers a bedroom, bath and living room on the 1st floor, a kitchen, dining area, and living room separated by a fp on the 2nd floor, and the primary suite with 2 other bedrooms and a full bath on the 3rd. There's a long balcony off of the kitchen which offers space enough for a grill and seating, with great views of the trees and green space in back. Upstairs, the bedrooms are large, with ample natural light brightening every room. Plenty of wood flooring throughout means that this is a kid and pet friendly space. The location couldn't be better, located right between DFW and all of the dining and shopping that Las Colinas has to offer. This is a great price for the best floorplan in the neighborhood, so come on by and check us out! Fridge, washer, dryer can stay.
