Overview

Make sure you look at this beautiful, custom remodeled home. Enter the open area of the living room, dining room and kitchen. This kitchen is a chef's delight. Start your morning in the spacious breakfast nook, complete with refrigerator and microwave. Relax with a good book in the comfortable library/sitting room. The bonus room is perfect for a quiet craft room or home office, or easily turn it into a third bedroom. The roomy Master bedroom also includes a large (8 x 10) walk-in closet. The full basement is a perfect game room, with a separate inviting sitting area. The two connected, climate controlled, garages are as nice as the rest of the house. The front garage easily accommodates two vehicles, while the back oversized garage will hold the RV or nearly any project you care to work on. Enjoy the evening on the roomy deck and patio. Rest easy with a furnace, Air Conditioner, water heater, water softener, whole house generator, sump pumps, and roof, gutters and gutter covers all of which were new in 2022. Property has 2 parcels equal to 2 Acres total. Back acre lot is wooded and has a stream.
