Overview

This like-new, meticulously maintained single-story home loaded with amenities is nestled in a highly sought-after subdivision near top-rated schools, shopping, and beautiful Lake Ray Hubbard. Home is situated on lushly landscaped corner lot. Featuring an open floor plan, dream kitchen boasts a center island breakfast bar, quartz countertops, abundant cabinetry, walk-in pantry, butler's pantry, and built-in stainless steel appliances. Spacious dining area seamlessly extends to family room and breakfast nook, creating a perfect environment for entertaining. Master suite offers a relaxing bedroom with sitting area and an opulent spa-style master bath. Three additional bedrooms come with spacious closets and one could double perfectly for a home office. Stepping outside, enjoy the covered patio that leads to a sizable, fenced backyard, perfect for outdoor gatherings. The 3-car garage provides ample parking and storage space. Resort style community includes pool, clubhouse, playground and trails.
