## Overview

Enjoy a peaceful, secluded setting all while being 10 minutes from town. You are also only 30 minutes from South Bend, and the beautiful Southwest Michigan beaches. This tri-level home boasts an oversized 2 car attached garage. If that isn't enough storage space there is also a 12X36 shed out back! The layout of this home is unique but so functional. The main level of the home has an open concept that flows. It is perfect for entertaining. The walk out basement holds the potential for a 4th bedroom and additional living space, office, ect.. The bedrooms are privately tucked away upstairs along with the second bathroom. The backyard patio and property overall gives plenty of additional space for birthday parties, entertaining, or whatever your heart desires!
