Overview

Stunning single family house. Fabulously constructed 5 bedroom/4 home sits right in the middle on an amazing Cobb area! The kitchen includes granite countertops, stainless steel appliances, a huge kitchen island and a separate dining room, Laminate floor throughout the whole main floor. Covered and screened back porch is the best place for friends and family outdoor gathering. The Owner's suite with sitting room and enormous walk-in closet, updated master bath and a spacious shower, separate soaking tub, and tons of natural light. NEW Roof, NEW paint, NEW flooring, NEW powerlines, updated kitchen, updated bathroom. No HOA. Great location! Extremely close to all the restaurants, supermarkets and plenty of entertainment.
