Overview

Charming and spacious single-story home located in the heart of Windsor, California. This beautiful property features three bedrooms, two bathrooms, and a two car garage. The open floor plan creates a bright and airy living space. The home also boasts a large backyard, perfect for outdoor activities and gatherings. Situated in a lovely community close from shopping centers and offering easy access to the freeway, this home is perfectly positioned for convenience. It is directly across from a scenic park and part of a great school district, making it ideal for families. Additionally, the home includes wheelchair access ramps at both the front and back. These ramps are removables and are not permanently attached to the structure. This is an opportunity to own a versatile and well-located home in a prime neighborhood!
