Overview

This peaceful property is a 2BR, 1BA, 2730 sq. ft. home sitting on 1.76 +/- acres sitting on one of the highest points overlooking Frie Lake. This peaceful property has an open floor plan allowing for a smooth transition from the kitchen area to the dining room and living areas. The back deck has a relaxing ambiance as you sit and watch the wildlife in the surrounding woods and overlooking the lake. The upstairs level offers new Anderson" windows throughout. The downstairs is a full walkout basement offering an amazing large room for entertaining. A beautiful live edge wood bar area and extra living space. The property has a 30x46 shop with 12 ft. ceilings and is heated/cooled with a bonus Atlas" 9, 000 lb lift and an air compressor that is plumbed with air drops throughout. There is also a small Storage Shed with an awning for extra storage space.
