## Overview

-----Back on the market, subject to prior escrow cancellation ----- Fantastic opportunity to own a very quaint bungalow in the hills of beautiful Sunland. This 2BR 1BA plus den/office/studio single story house is located on a very quiet street, surrounded by very established neighbors. Whether you are buying to occupy or as an investment, this property has a lot to offer. There is enough room to expand the square footage, or you can just enjoy the nice rear patio / backyard. This property is ideal for a first time buyer at an entry level price. Come see it and bring you imagination along with some work and you can make it into your very own Shangri-La.
