Overview

Welcome to this meticulously maintained and energy-efficient log home, boasting modern upgrades including solar panels, heat pumps, and two Tesla batteries. You will be enchanted by the soaring ceilings and the abundance of natural light streaming through windows and skylights, creating an inviting and warm atmosphere. The covered front porch is the perfect spot to start your day, welcoming you with open arms. Inside, the open living space features a cozy living room with a brick fireplace with a wood stove insert, a kitchen with a pantry and island, and a dining area that opens to the rear deck, offering picturesque views of the yard and gardens. The main level also includes a primary bedroom with a sliding door leading to the porch, and a spacious bathroom with a soaking tub, double sinks, and a separate shower. Upstairs, the loft space overlooking the downstairs is ideal for an office or a relaxing nook, accompanied by three additional bedrooms and a second full bath. Storage is abundant with a full walkout basement, a two-car garage, and additional sheds. Set on a sprawling 27.2+/- acres, the property is a gardener's dream, featuring beautiful perennials, gardens, apple trees, berry bushes, and a brook-fed pond. Enjoy the tranquility of this country location, while being conveniently close to the charming village of Peacham, known for its array of community events. The property is enrolled in current use. Peacham has school choice for middle and high

school.
