## Overview

Owner Occupied/Investors take notice!!! This is a unique opportunity in North Adams, MA. This three-family home is now available for sale, and while it does need some TLC, it's brimming with potential. This property offers three units that are ready for your vision. While some updates and repairs are needed, this is a chance to put your personal touch on a property and make it truly shine. Recent upgrades are: New roof, new aluminum throughout exterior, vacant unit is renovated. Come see its potential!! North Adams is known for its charming community and nearby amenities, including parks, schools, and local shops. With a bit of effort, this home could become a fantastic investment or a wonderful space for multi-generational living.
