Overview

2,002 finished sq. ft. walkout ranch in a private country setting on 3.3 acres. This great home features an attached 2 car garage with vehicle charging station as well as an additional detached 2 car garage for extra storage. Everything you need is on the main floor including the owner's suite with a private bathroom and jetted tub. Also on the main floor is a dedicated laundry room, 2 additional bedrooms and another full bathroom. The beautiful kitchen includes granite counters, stainless steel appliances, a center island snack bar and tons of cabinet space, as well as 2 large pantries. The kitchen, living room and dining area are all open to each other with a vaulted ceiling and lovely wood floors. Off of the kitchen is a composite deck with great views of the spacious, wooded yard and garden area. The full walkout basement features 2 spacious finished rooms and is plumbed for a 3rd bathroom. The remaining basement area is a great rec room/entertainment area as well as ample storage space. Enjoy watching beautiful sunsets over the open fields in your back yard and making s'mores around the fire in your private bonfire pit/camping area with two seasons worth of hardwood chopped and stacked. This home is also equipped with \$40k worth of solar panels and an electric car charging station in the garage.
