## Overview

Welcome to the country life. This property has all the things! Completely remodeled three bedroom, three bath home on four acres. The enormous 30 x 50 barn has an office, a heater, and bathroom, plus an attached carport/lean-to. The oversized two car garage measures 30 by 40 feet, two overhead doors with openers, and a walk through door. There is an R.V. hookup with parking spot. Inside the completely remodeled home is an immaculate kitchen with granite countertops and a very cute pantry. There's a formal dining room, living room, sun room, and a primary bedroom on the main level. There's two more bedrooms and a bonus room up stairs and an unfinished partial basement beneath the main level.
