Overview

Welcome to your home in the desirable Pinnacle neighborhood! This one-owner home features 4 bedrooms, 3 full baths, one 1/2 bath, stainless steel appliances, engineered hardwood floors, and open concept kitchen/living room area. DO NOT forget the home office area as you enter the home and the finished and walk-out basement with a full bath--could easily convert space in the basement to a bedroom. Green space abounds behind the home. AS-IS but inspections welcome.
