## Overview

Bright and cheerful and ready for you to call home. This 4 bedroom, 2.5 bath home offers an open floor plan with vaulted ceilings and lots of natural light. The kitchen features updated granite countertops and stainless steel appliances and the bathrooms have been updated over time. The upstairs primary suite features large windows and vaulted ceilings as well as dual closets. Ensuite bath offers double sinks as well as a jetted tub for soaking. With solar and a newer HVAC system your energy bills should stay low. The pool size backyard will have a new fence, includes a beautiful newer shed for extra storage and backs up to open space. Don't wait!
