Overview

Well located and spacious home in a long established and desirable neighborhood near Cypress Lake Golf Course. Enjoy the country feel of this growing area with shopping and highway access nearby. The spectacular front porch provides great curb appeal and views of a beautiful horse pasture just across the street. The nearly half acre lot is level and fenced with outdoor storage a huge deck and a driveway that can accomodate several vehicles. The interior features a master bedroom suite with a huge walk-in closet on the lower level along with an eat-in kitchen and formal dining room. The upper level has two spacious bedrooms and full bath along with plenty of easily accessible attic storage. The interior has been recently painted and the home is easy to view.
