Overview

We've lived in this lovely, 2-story brick colonial for 27 years. It sits on a beautiful wooded lot with privacy. The house has wood floors throughout, many built in shelves, wonderful natural light. It also has a ready-made office that can convert into a bedroom. It's in a fantastic neighborhood that is walkable and close to grocery stores, restaurants, schools, highway, downtown, EGR, Eastown and airport is a close 20 min.
