Overview

Large west side twin lovingly cared for and now being offered by it's longtime owners. Very convenient location. Walking distance to downtown and a few blocks to 378. Coming from the comfortable front porch with retractable privacy/sun shade. you enter a double door foyer leading to the living room, dining room, or upstairs with 3 bedrooms and full bath on the 2nd floor and another 2 rooms on the 3rd. Through the huge eat in kitchen there's a back utility room w/ water closet and lots of storage. Then out the back door to a concrete patio and walk way through the fenced in yard to it's oversized 1 car garage and 1 carport. This home has central air, economical gas heat and hot water, updated windows, and a cast iron tub with a walk in cut out that has been saved and can be put back together. Don't wait to make your appointment to see this home in Beautiful West Bethlehem!
