Overview

The WRIGHT floor plan is the perfect home for new home owners. This Unique floor plan offers great space where it is needed most. From the Huge master bedroom with included master bath with an enormous walk in closet, to the large covered patio this home is sure to be the perfect home for your family. This home is equipped with a spacious living room that overlooks an incredible kitchen that is perfect for entertaining guests. Kitchen has great counter top space, while having a large area for a good size dining table. Home is currently under construction with anticipated completion in December.
