Overview

Welcome to your Dream Home!! This waterfront home has 346 feet of lake frontage and is situated on 1.35 acres of land. The main floor of this home has 4 large bedrooms, 2.5 bathrooms, and a den that is complete with built in bookshelves and desk. The interior finishes are made up of quality granite tile flooring and countertops, plush carpeting, solid core oak doors, custom oak cabinetry, and a gorgeous floor to ceiling stone fireplace. The open concept kitchen, dining, and living room have oversized windows that provide amazing views day or night. Kitchen appliances have all been recently upgraded to stainless steel. The primary bedroom is a statement piece - it is en-suite, including two walk-in closets, a large bathroom with walk-in shower, jacuzzi tub, and French doors leading to a wrap-around deck. Downstairs you will find a large family room, storage area, utility room and locking vault for your valuables. The lower level is walk-out to the firepit and beachfront area. On the exterior of this beautiful home you will find low to no maintenance all-brick siding and concrete shake shingles. It is equipped with a 60kw Cat generator to keep your power 100% in the event of an outage. There is also a brick sided boathouse with private concrete boat access. This is one of the most incredible lake homes on Big Stone Lake. It is centrally located to several restaurants and

resorts with easy access by boat or car. You won't find a more private, beautiful property with this kind of frontage on the lake. Don't miss out on this rare opportunity!
