Overview

Step into this charming home, where neutral walls and abundant natural light create a bright and airy atmosphere throughout. A new roof, scheduled for completion in September 2024, ensures long-lasting protection. The kitchen is equipped with a brand-new dishwasher and a built-in microwave, blending modern convenience with style. The property features two storage areas. One is off of the carport and the larger storage building is in the backyard with electricityoffering versatile space for your needs. The fully fenced backyard provides a private retreat, while the very spacious primary bedroom adds to the homes comfort. The bathrooms have been thoughtfully updated with new vanity tops and faucets, adding a fresh, contemporary touch. For added peace of mind, the home includes two cameras and an alarm system that stays with the property. This home effortlessly combines comfort, style, and functionality, making it the perfect retreat.
