Overview

This stunning custom-built home by PAKT Construction, feels brand new and is packed with high-end extras and upgrades. The open-concept floorplan lives like a ranch, featuring a chef's kitchen with custom soft-close cabinets, a large center island, granite countertops, and stainless steel appliances. Refrigerator conveys! Enjoy luxury finishes throughout, including a spacious owner's suite with a custom tiled Walk-in shower, granite in all bathrooms, and a large laundry room. Step outside to a screened porch and patio that overlooks a serene wooded.93 acre lot. Additional highlights include a bonus room, walk-in attic storage, a wired custom shed that conveys with the home, an oversized side load garage with an extended parking pad, a tankless water heater, and a whole home Generac generator. With no HOA, this home is a rare gem offering both privacy and convenience!
