## Overview

Nestled in the trees on the edge of Tamalpais-Homestead Valley, this rustic 4-bedroom, 3- bathroom home commands attention at the top of a long drive, boasting a spacious 2 car garage, ample private parking and the home's main entrance from the upper deck. The home features sweeping panoramas of the valley and coastal mountains from the multiple decks. Radiant heated floors on 2 main levels keeps things cozy and warm. The lower level, entirely detached, presents a deluxe suite complete with a private living room. It's ideal for a sophisticated home office or an independent family member. Conveniently situated near Tam High, Mill Valley Middle School, Tamalpais Elementary, the scenic bike path, and walkable to Good Earth Market, and several charming local boutiques and eateries, this residence gives effortless access to downtown Mill Valley and the super close treasures of Tennessee Valley, Muir Beach, Muir Woods, and Stinson Beach. Walking, biking or hiking blends into your lifestyle here. The trails of the GGNRA are literally steps away from your door. Located 5 mins from the 101 means crossing the Golden Gate Bridge into San Francisco can take as little as 10 mins. It's 363A Marin Ave because the 363 lot was divided in the past and new numbers weren't available.
