Overview

Savor the sunsets, fall asleep to the gently lapping tide, and awaken to the songs of shorebirds. Sitting directly on Nantucket Harbor with unobstructed panoramic views across the water to Coatue and Great Point, 7 and 15 Laurretta Lane is your opportunity to own a brand waterfront compound in one of the most tranquil and enchanting settings on Nantucket. Nantucket's premier design/build team of Hanley Development and Sophie Metz Design has collaborated to create this custom-built harbor-side estate, consisting of a six-bedroom main house, private pool and cabana on three private acres, as well as a newly renovated two bedroom cottage on the contiguous 1.7 acre waterfront parcel. Already under construction, the property will be available for occupancy in Spring of 2025. If you're seeking relaxation, the privacy and seclusion of this property provides everything you need to replenish and reinvigorate your soul. If it's a lifestyle on the water you're looking for, you can't do better. Just wade out to your boat mooring, bring your scallop rakes and fishing rods, or just cruise around the harbor, allowing spectacular sunsets to serve as a backdrop for your cocktail hour. Your harbor-front retreat awaits.
