## Overview

Welcome to 159 Wabash Lane, where comfort and convenience meet in one of Branson's best northside locations. Set on nearly three-quarters of an acre and surrounded by lush trees, this well maintained home features three bedrooms, two bathrooms, a large living area, a bright kitchen, and an oversized two-car garage. The home is packed with upgrades, including luxury vinyl plank flooring, a custom sunroom by Modern Exteriors, and energy-efficient double-pane vinyl windows. A brand new roof, installed in December 2023, ensures lasting protection and adds extra value. With steel siding and Leaf Guard gutters, maintenance is minimal, giving you more time to enjoy the tranquil backyard from the sunroom. The fenced area is perfect for kids or pets to safely play. Situated on a quiet dead-end street, this hidden gem is just minutes from Highway 65, Branson Hills shopping, dining, and more. Don't miss your chance--schedule a tour today!
