Overview

Ready for September MOVE-IN! This is a smaller three bedroom two bath double wide home located on the wood line of our community. Don't let smaller fool you; its a cozy little place with the living room open to the kitchen, offering an island with all appliances included. The laundry room is off the kitchen, primary suite is located just off the living room on the posterior of the home, two more rooms and second bath are located on the anterior of the home. If you are interested in purchasing this wood line home you can obtain your pre-approval today by applying online. We look forward to welcoming you to our Scio Farms Family.
