## Overview

Set on one of this desirable neighborhood's LARGEST lots, this two bedroom condo offers privacy, a level backyard, walkout lower level and wooded views. Also unique to this unit is its beautiful three season sunroom PLUS additional space above the garage for potential third bedroom or office. Central air, gas fireplace and attached garage make life simple yearround. Enjoy Amherst's Village, the library, three golf courses, convenience to commuter routes, shopping, restaurants and its excellent schools. More photos to come. Owner holds a real estate license in NH.
