Overview

Situated in a lively part of the community, this charming traditional cape-style home welcomes you with its classic design elements, including hardwood floors and timeless finishes that create a warm, inviting atmosphere. Modern updates enhance your comfort, featuring a sleek kitchen with custom cabinetry, stainless steel appliances, and central air conditioning. An attached garage offers convenience and protection from the elements. The cozy living room with a fireplace opens to a versatile space that leads out to a fenced backyard, complete with a stunning stone patio and ample room for outdoor activities and entertaining. On the second floor, you'll find two tastefully decorated and updated bedrooms. The finished basement is ideal for a guest bedroom, playroom or office. Enjoy the blend of a prime location with the peacefulness of tree-lined, sidewalked streets close to Walpole Center.
