Overview

COMING SOON - Showings start Sept. 10. Welcome to this stunning custom-built bungalow nestled in the heart of historic New Bern. This home offers a blend of charm and modern convenience with its beautifully landscaped front and back yards. Enjoy the changing seasons from the oversized front patio or the partially-covered patio in the backyard, which blooms with tulips, gladiolus, dahlias, and hydrangeas throughout the year. Inside, you'll find this home is adorned with elegant trim details throughout. The living room features coffered ceilings and a cozy fireplace with gas logs. Beadboard wainscoting and crown molding set the stage for gracious entertaining in the dining room. Magnificent cook's kitchen boasts granite counters, glass-front cabinetry, gas stove and large stainless farm-style sink. Indulge in the luxurious primary suite with walk-in closet and two separate vanities in the bath. Not a bit of space is wasted in this floorplan, with a dedicated office space and a cozy den off the back of the home that has a stylish shiplap wall. Additional features include double sinks in the guest bathroom, generously-sized closets, custom window treatments, upgraded ceiling fans and light fixtures, and a Rinnai on-demand hot water heater. The backyard also features an upgraded workshop/shed with windows and electricity. All this and it is located just minutes from all the shopping and restaurants in historic downtown New Bern. Don't miss the opportunity to own this exquisite home with its exceptional blend of character and comfort.
